Shelter for Help in Emergency

Since 1979, the Shelter for Help in Emergency has worked to support and empower victims of domestic/intimate partner violence, in the city of Charlottesville and the counties of Albemarle, Fluvanna, Greene, Louisa, and Nelson, through a combination of trauma-informed residential and community-based outreach services, including a 24-hour hotline, emergency shelter, safety planning, information and referral, resource assistance, legal advocacy and court accompaniment, supportive counseling, outreach to the Spanish-speaking community, and programs for children and youth.

The Shelter for Help in Emergency is committed to providing a safe, supportive, confidential, and respectful environment in which survivors of domestic violence are empowered with the knowledge of personal and community resources, as well as the skills needed to make informed decisions for themselves and their families. All services are confidential and free of charge.
