Wine Pull Donation Form

Following the Golf Tournament, guests are invited to stay for an awards ceremony and reception, where they will have the option to purchase a numbered cork for \$25. Donated bottles of wine will also be numbered to match the corks. Guests will find their winning bottle of wine by matching their purchased cork with its corresponding numbered bottle. Proceeds benefit the Shelter for Help in Emergency.

Please consider donating a bottle of red, white, or sparkling wine! All donations must have a minimum retail value of \$25 and be received by June 1, 2022. Please complete this form and include it with your donation.
